Please read! Important new changes about Saline solid waste & recycle program

Effective July 1st, 2019

Waste Management presents a new trash cart program for all Saline households and automated side load trucks fueled by compressed natural gas. WM continues the solid waste, recycle and yard waste service partnership with the city of Saline.

Collection schedule

Your trash and yard waste pick-ups will occur each week on Thursday (west of Ann Arbor St.) or Friday (east of Ann Arbor St.). To ensure pick-up, please have your items at the curb by 7:00 AM or the night before your Thursday or Friday collection day. (see back for new recycle pickup schedule)

Solid waste collection

WM will collect properly contained solid waste in the waste management provided trash cart only. No extra bags and no containers outside of the trash cart. Discarded household waste, food waste, rubbish and refuse generated by residential dwelling shall be loaded into the cart. Additional carts are available to rent for a fee of $4.00 per month per cart paid directly by resident. Place rubbish at the curb for collection in bags inside of the curb cart only. Keep your cart clean and minimize odors.

Bulk items

WM will collect one large item per week on the same day as regular household waste. Please call ahead 866-797-9018 or email mishe.m consumesustomerexperience.com to request bulk pick-up.

Bulk waste collection limits

Advance call required for bulk collection.

One bulk item per week will be collected the same day as regular household waste. Storm doors and windows must have glass removed and packaged separately in a box, taped closed and marked “broken glass”, weighing no more than 60 lbs. Carpet must be rolled and tied in 4 foot sections and weigh no more than 60 lbs. No more than 10 bundles at any one time.

Freon appliances

Appliances that once contained Freon with a tag attached certifying evacuation by a licensed technician may be placed at the curbside for collection in accordance with the bulk item guidelines above.

Advance call required. For collection of appliances that still contain Freon, contact WM at 866-797-9018 before placing the item at the curb for collection (residential pre-payment required).

Caution: Please remove doors from refrigerators for safety before placing at the curb.

Items we do not collect

- Gasoline & automotive oil
- Car & truck parts / engines / tires
- Hazardous waste / liquids / oil based paint
- Yard waste mixed with trash
- Concrete / bricks / construction debris (Beyond 1, 32 gallon can, 50 lbs. max)
- Cyclone fencing / railroad ties
- Tree stumps
- Liquid latex paint (OK if dried)

Yard waste collection

Yard Waste is:

- Grass clippings, leaves, shrubs, fruit and vegetable waste & brush trimmings (under 4 inches in diameter and less than 4 feet in length)
- Weekly limit per residential unit of 6 containers and/or brown bio-degradable bags, maximum weight of 60 lbs. per container and 50 lbs. for bio-degradable bags.

Yard waste does not include:

- Soil, pet waste, dirt, rocks, trash, roof balls, branches (over 4 inches in diameter and longer than 4 feet in length)
- Yard waste collection is the first Thursday in April through the second week in December.

Place yard waste at the curb four (4) feet from your curb in the following manner:

- Place yard waste in paper yard waste bags or 32 gallons cans clearly marked “Yard Waste” stickers available at City Hall & DPW. Face yard waste markings toward the street, so the driver can identify the can as yard waste. Do not use a plastic bag liner. For the safety of our employees, containers over 32 gallons will not be collected due to weight. No container should weigh more than 60 lbs. can or bag maximum per week.

Bundle brush and branches that are 4 inches in diameter or less in 3-4 foot long bundles with string. Please insure bundles are no larger than 18 inches around and weigh no more than 60 lbs each. Yard waste mixed with rubbish cannot be collected.

Loose brush pick-up

Advance call required. Call SM advanced call required. Call WM in advance at 866-797-9018 for collection of loose brush longer than 4 feet and up to 6 feet in length, no greater than 6 inches in diameter generated at single-family residents. Loosely brush shall be tied and bundled with bundles no more than 18 inches in diameter and no more than 50 lbs.

DETERMINING YOUR RECYCLE WEEK & DAY

Use the map and schedule to determine your recycle week as follows:

First determine if your residence is located in the green or gold section of the map. The color of the map where your residence is located corresponds to the color on the schedule and indicates your recycle week and day for each month. Place your recycle cart at the curb on the designated day on the schedule.

PLACE YOUR RECYCLE CART AT THE CURB ON THE SAME DAY AS YOUR TRASH EVERY OTHER WEEK ACCORDING TO THE SCHEDULE.
